Sir,

Sub;- Survey - Town Survey - Bellary Municipality - collection of demarcation charges- special staff sanction requested-

Ref;- 1. Board's Ref. 6088/51 dated17-1-52
2. Bellary Tahsildar's Rc. 139/52.B1 dated 10-2-53
3. Board's Ref. No.11145/52 dated 7-2-53

I enclose herewith the proposals of the Tahsildar Bellary for appointment of special staff for collection of demarcation charges incurred during town survey of Bellary. The work involves issue of several notices under Section 8 of Survey and Boundaries Act and the collecting of petty amounts ranging from pies to rupees.

The Board in its reference first cited above ordered to collect the balance amount from parties with the assistance of the Town surveyor, which post was sanctioned for maintenance for Bellary Municipality in G.O.813 Rev. dated 19-3-52. This was given effect to but the Town Surveyor is unable to assist in collection work, in addition to his routine duties as laid down in B.S.O. 34.A. para 21 Appendix XIII. The Town Surveyor has got heavy items of work to do as town survey maintenance has just been started for this town. The Range officer S&LR Chittoor is more particular about the maintenance work and the Town Surveyor is subjected to adverse remarks when there is any deviation from his routine work. It is pointed out that this work could not be attended to by the Town Surveyor in conjunction with the collection work.

The special staff which was appointed in 1948 for a period of 6 months, could collect only Rs.1937/- out of a total demand of Rs.7412-0-6 owing to many changes which took place in the names of property holders and in D.Nos and ward Nos. subsequent to Town survey. The village officers and Revenue Inspectors are not able to cope with this collection work in addition to their regular duties. Unless the work is entrusted to a special staff consisting of special Revenue Inspectors and peons there is no prospect of collecting the entire balance.

I therefore request that sanction may be accorded to employ a special staff consisting of 2 Revenue Inspectors and 2 peons for a period of at least 6 months as sought for by the Tahsildar Bellary. Early orders are requested.

For Collector.

Sub;- Survey - Town Survey - Bellary Municipality - Notices under Section 8 of the S & B. Act service instructions issued- report submitted-

Ref;- 1. Collector's Rc. 11727/52 H1 dated 28-1-53
2.. Town Surveyor's report Nil dated 14-10-52

The Town surveyor, Bellary in his letter cited above states that it is not possible for him to collect the demarcation charges and serve notices under Section 8 of the Survey and Boundaries Act in addition to his routine duties as laid down in B.S.O. No.34.A. paragraphs 21 Appendix. XIII.

I agree with the Town Surveyor. It is not possible for him to attend to the collection of demarcation charges and to serve notices on the property holder as Bellary is a very big town having a population of 75000 with an area of 15 square miles. The demarcation charges have to be collected only after the service of notices under Section 8 of survey and Boundaries Act. It is very difficult to serve the notices on the property holders as they are scattered all over the town. Some may refuse to receive the notices and some may evade to receive them. The demarcation charges have to be collected as arrears of Land Revenue.

These notices relate to the year 1942-43. There have been many changes in the property holders and also the Door Nos. and Ward Nos. have been changed recently and it will be difficult to identify the persons who have to pay the dues. The special staff which was appointed in the year 1948 for a period of six months could collect only Rs.1937-0-0 out of total demand of Rs.7412-0-6 owing to the facts mentioned above. In this connection I submit that when the special staff deputed solely for this collection could not cope up with this work and clear off the arrears I submit that it is not possible for the village officers and the Revenue Inspector, Bellary to collect the demarcation charges with the assistance of the Town surveyor, Bellary in addition to their normal duties.

There are yet 6000 notices to be served on the property holder. It is not possible for the village officers and Revenue Inspector Bellary to attend to this work in addition to their heavy duties in Bellary. There is still a balance of Rs.5034-0-10 out-standing collection from a very large number of persons with varying individual demands from Re.0-0-6 to 1-0-0 respectively.

In the above circumstances I recommend that the Government may be addressed to accord sanction for special staff consisting of Two Revenue Inspectors and Two peons for a period of six months for the collection of demarcation charges. I discussed this matter with the Circle officer, Anantapur on 5-2-53 and he agrees with my proposals. A financial statement involved in the employment of the staff is enclosed.
